

S.P. WEATHER REPORT
recorded wind direction
at 12:00 noon, March 2008

800S.£0.10 00:SI 2

report | /31

to check wind direction:
Remove temporary tattoo from above.
Remove the clear cover sheet and
press the sticky side of tattoo
against your index finger. Wet this
finger all the way around, carefully
slide the backing off the tattoo
and hold your finger up in the air.
The side facing the wind will feel
slightly chilled. Note the reading.
